Re: 2nd International FizMat Summer School (IFSS) in Astana, Kazakhstan between 16th June 2018 – 7th July 2018

Dear Counselor,

National School of Physics and Math (FizMat) is pleased to invite you to participate in the 2nd International FizMat Summer School, which will be held at Nazarbayev University in Astana, Kazakhstan, from 16th June to 7th July 2018. The aim of this STEM summer school is to provide students with truly unique experience through combining learning with fun and to establish collaboration and friendships among participating schools and individuals. This year FizMat is proud to host the summer school in collaboration with alumni of top universities in U.S., such as MIT, Williams and University of Wisconsin-Madison. The theme of the upcoming summer school is “Artificial Intelligence”. Students who gain a place at IFSS will be able to tailor their personalized three-week program to suit both their academic needs and wider interests, by choosing **one core** and **one elective** course.

Dates	16 th June to 7 th July 2018 (inclusive of the arrival and departure dates)
Venue	Nazarbayev University
Accommodation	Dormitory on modern and gated campus
Meals & transportation	All scheduled meals and local transportation will be provided
Participation fees	1500\$ (USD) per student (except for travel insurance, flight and personal expenses). Payment details will be sent to the designated contact person in due course.
Website	www.ifss.kz

If your school sends 4 students or more, we will cover all expenses for an accompanying teacher except for travel expenses. To facilitate the arrangement of accommodation, please fill in the application form for applying students at <http://bit.ly/ifss2018> on or before May 30th, 2018. If you are having difficulties with application, contact Mr. Yerlan (yerlan@fizmat.kz). For program related queries, please contact Ms. Karakoz (karakoz@fizmat.kz).

We look forward to seeing you at the camp!

Kind regards,

Mr. Gabit Bekakhmetov
CEO, National School of Physics and Math
